Citibank Business Debit Card users have been informed of this change in writing. Debit card is a perfect tool to among other things control your business expenses related to frequent trips and shopping and it eliminates the necessity of giving traditional cash business trip allowances to your employees.

For further details please contact the Business Card Service Team available 24 h/7 at (22) 692 24 36 or 800 120 078.
