About Citi Australia:

Citi Australia has provided financial services to Australian consumers, corporates, institutions and governments for more than 30 years. Our goal is to help our clients meet their financial and commercial goals with products and services that are innovative, targeted and financially responsible. To do this we are organised into two business groups, the Global Consumer Bank who work to support our retail customers and the Institutional Clients Group who support our corporate and institutional clients. Citi has the most comprehensive offering and largest global reach of any bank with operations in Australia.
